

# HP ap5000 All-In-One Point of Sale System

## Advertising Panel Template Creator

# Instructions

The template on the following page allows you to create an insert for the advertising panel your ap5000 Point of Sale system. You can add any desired graphics and text within the boundary of the dotted line using the standard tools available in PowerPoint. You can then print the page and cut out the template for us in your ap5000 advertising panel.

Use standard PowerPoint tools to add your desired graphics and/or text  
within the dotted line boundary
